## oratorio

### THE WAY OF HOPE

*The project "The Way of Hope" is an excellent promotion of Polish culture abroad. I think the work has a chance of global success, possibly comparable to that of Górecki's Third Symphony, which the world only discovered many years after it was composed.*

*Grzegorz Nowak  
Principal Associate Conductor  
Royal Philharmonic Orchestra, London*

### HAPPY PEOPLE hip-hOpera

*Janusz Kohut is an exuberant and expressive pianist. His artistic output is astonishing. The artist combines elements of classical music, folk, avant-garde and jazz, creating his own original musical language, admired by critics and audiences alike.*

*Mieczysław Szcześniak*
